NOTES TO DIRECTORS AND STUDENTS:

This is a reminder for everyone that you may use copies of the music as long as you have originals with you. You can always use a binder.

You will be placed in audition order in the cafeteria approximately 30 minutes before your time.

When you are in the audition room, our students will announce your audition number twice. If they accidentally say the wrong information, PLEASE CORRECT THEM POLITELY. We all make mistakes.

Upon completion, you will be escorted to the auditorium where you can either wait for your ride or you may leave the contest. You may not go back into the cafeteria after you sing.

Thank you,

Casey McCollough
